Dear Parents & Caregivers,

The hot weather has really hit with a vengeance! Please ensure that your child/ren wear their school hat and sunscreen to school every day. We do enforce the ‘no hat, play in the shade’ policy. Please also send a large bottle of cold water for your child/ren as it is important to keep hydrated in the hot weather.

It was wonderful to see all of the students participating in the Boomerang March recently. I’m sure that this is something they will proudly tell their grandchildren one day.

Keep up the great work with the SchoolStream app. We are currently receiving more permission notes and absence notes than ever before. Remember that if you want to opt out and receive paper notes, you will need to notify the school office.

The K/1/2 excursion to the Bathurst Fossil & Mineral Museum will be held next Tuesday 24th November. Please send in your permission notes and payment ($10) promptly.

Yr 6 students have their final BHS Orientation Day next Thursday (26/11). Invitations to this day were sent directly to parents. Please contact the High school if you need any further information.

REMEMBER

SRC Fundraiser - Lunchtime treats!
Frozen fruit & Icy Poles are available to purchase every lunchtime for just 50c
