Riding up a storm!

Nat, Joe, Ashley, Jacinta and Payton – proudly represented Lyndhurst Public at the Evans Crown interschool horse sports day last week. They had an excellent day and achieved some great results, winning an incredible number of ribbons between them - including 2 championships! For more great pics, please go to our school website.

Western Region results

In the recent Western Region Swimming trials four of our students - Luke, Faith, Kenzie and Natalie competed for a place on the Western Region team to compete in Sydney in the State PSSA swimming carnival. Everyone swam brilliantly against some tough competition. Mackenzie Furner showed her skill and outstanding ability in the pool, winning her 50m freestyle and coming third in backstroke. Kenzie will travel to Homebush Aquatic Centre next week to compete against swimmers from all over NSW.

Year 6 Transition to High School

Year 6 students will head off to Blayney High School to participate in the first high school transition day. Students need to give the permission note to the bus driver on the day if they are catching the high school bus.
### Prizewinning poster

At the recent Blayney Show, Lyndhurst Public School participated in the school poster competition ‘All the Colours of the Show’. All students from kinder to year 6 worked cooperatively and collaboratively to create the poster. Their hard work saw their poster being rewarded first prize.

### Questacon fun

Next Tuesday, we will travel by bus to Carcoar Public School for a day of fun and scientific enquiry in the Shell Questacon Science Circus - along with other Heritage Small Schools. Please return the permission note sent home last week by Thursday, along with $5 per student.
