Congratulations athletes!!

Last Friday’s HCSS carnival proved to be an outstanding success for Lyndhurst Public with 4 of our students taking out their age championships: Senior Girl – Kenzie Furner; 11Yrs Girl – Natalie Milthorpe; 11Yrs Boy – Beau Lees; and Junior Girl – Montanah Fenton. We had an excellent turnout – just about full student attendance and participation. Many students placed in their events and will proceed to district level – more about this when we find out what has been decided. Many thanks to those parents who attended to cheer on our athletes and to those who organised and ran the canteen.

If you would like images of your child /children in action, you can purchase a professional photo taken on the day by following the link below:

Lyndhurst ANZAC Day March

Once again, our students represented their school proudly on ANZAC day – turning up in droves to take part in the march. Thank you everyone, we have had lots of glowing comments about your attitude and participation.

Life Education Van

Healthy Harold and the Life Education gang will be visiting us at Lyndhurst on Thursday 7th. Don’t miss out!! Please return the permission note plus the admission fee of $10 per student by tomorrow!

Happy Birthday!

Faith – 9th May
Emilee – 17th May
Kiara – 21st May
Cowra Eisteddfod

We’re off to Cowra for the annual eisteddfod on Tuesday 19th May, to compete in the Small Schools Verse Speaking Choir section. This year we will make a day of it – also taking in the excellent Cowra Breakout Hologram and POW Theatre at the Visitor Information Centre, followed by lunch at the Japanese Gardens. There is no cost for this excursion. A permission note will be sent home shortly.

Brrrrrrr…..! The weather has been doing strange things over the past week or so – from sunny and warm to downright freezing - especially here at school. Please make sure your children have a winter jacket or jumper packed in their bags just in case the weather turns nasty.

Reminder: new winter jackets for sale

As well as the fully lined long winter jacket, we will be selling lighter weight weatherproof jackets with a hood for only $22 each. These jackets fold up into a small attached bag and fit neatly into a backpack.
