Welcome back to term 3 we hope you have enjoyed spending time with your children and that they are well rested and ready for yet another busy term.

**Education Week**

Education Week this year will be held from the 27-31st July. The theme is “Celebrating Local Heroes”. The children will be involved in a range of fantastic activities over the week. On the 27th July our student leaders will participate in a Leaders’ Lunch with the other Heritage Schools. Students will join in activities about leadership and what leaders do and who they are. They will also have the opportunity to listen to Ms. Pam Ryan (former School Education Director and Leader) who will speak at the luncheon.

On Thursday 30th we will have our open classroom and morning tea. You are all most welcome to come along and join your child/children in their class activities.

**Uniform**

The cold weather is upon us so please ensure your child has adequate clothing to keep them warm. There are a HUGE number of jumpers without owners which have been washed and are now back at school waiting to be collected. Please label your child’s clothing as it is very hard to return to the correct student when they all look the same!

Don’t forget that we have some very warm beanies, jumpers, jackets and spray jackets for sale in our uniform shop if you require one.
**Reports**

You should have received your child/ren’s report at the end of last semester. Over the next few weeks you will have an opportunity to meet with your child/ren’s teacher to discuss the reports and your child’s learning needs. A note with booking times for parent teacher interviews will be sent out later this week.

**Late Arrival / Early Leaving**

We have a new system for students who arrive late or leave early. Please go directly to the Office and complete the STUDENT ATTENDANCE BOOK which is on the front counter. The School Attendance Roll is a legal document which must be accurately maintained. This new system will help us to meet our responsibilities even when the office is unattended. Thank you for your co-operation.

**Hot Lunches**

Just a reminder that hot lunches will be available again this term. We have a variety of items for sale to make your Friday easier.

**Lyndhurst Little Learners**

Our Little Learner program will start next Thursday 23rd July. If you know of any little person who will be attending school next year please encourage them to bring their child along to this very worthwhile experience.

**Library**

Library will be held each Wednesday this term. All students are encouraged to bring a library bag and borrow. Reading is a lifelong skill which we all need, so we encourage all of our students to experience the wonder of books. In this cold weather there is nothing better than curling up under a doona with a great book and escaping to other places.

**Crunch & Sip**

Please send along a healthy snack for your child/ren to enjoy each morning. Fruit, vegies, cheese & water are suitable for this mid-morning snack. A quick refuel helps them to concentrate on the busy task of learning!

**General Housekeeping**

Please remind your children (and yourselves) to put all notes & money into the LETTERBOX in the foyer. Lots of notes and money are being handed to teachers or just left on Mrs. Wilby’s desk. It is much safer to ‘post’ everything in the box. There are envelopes and a pen on top of the mailbox so that you can write your name and put everything inside. Many thanks.
